and the boundlessness of Arnold you must leave this place highly motivated.

### **Arnold's recipe for success**

In his Six Rules to Success, he describes the laws that make it possible to achieve anything for everyone, if you really want it:

- 1.) Trust yourself
- 2.) Brake the rules, but not the law
- 3.) Do not be afraid to fail
- 4.) Ignore the "naysayers"
- 5.) Work hard and sleep less
- 6.) Give something back

Impressive and persuasive, these messages are conveyed to Arnie himself by Arnie himself.
